What IBD Professionals can Expect from the 2019 Annual Crohn's & Colitis Congress

Hi. I'm Michael Osso, President & CEO of the Crohn's & Colitis Foundation. On behalf of the Foundation, and our partners at the American Gastroenterological Association, I want to invite you to the second annual Crohn's & Colitis Congress, the premier meeting for IBD healthcare professionals and researchers.

Congress 2019 will take place February 7th through the 9th at the Bellagio Hotel in Las Vegas. Sessions will focus on:

- Making sense of care guidelines
- Trends in IBD care
- Environmental triggers
- And management of complicated IBD

Through the multidisciplinary program, additional pre-Congress workshops, and dynamic social events, attendees will have many opportunities to build a powerful network and share innovative solutions with renowned thought-leaders in IBD. Be prepared to learn in a collaborative setting while discovering cutting-edge basic, translational, and clinical research.

I look forward to seeing you in Las Vegas in February.
